SAECE School Closure Policy

Reminder to Parents/ Caregivers/ Guardians:

In the event of power outages, heavy snowfall, etc... Please note that the SAECE Preschool classrooms will be closed if the main (host) school is closed. For Surrey School Dist. Closures Website: www.surreyschools.ca, or families should listen to radio stations for announcements of school closures:

- CKNW 980 (604-331-2832),
- News 1130 AM (604-877-4400),
- CBC 690 (604-662-6900)
- Red FM 93.1

Additionally, the SAECE classrooms may be closed if it is too dangerous for Staff to travel to work. In this case, SAECE Staff will make every effort to contact the families affected.

Also, per Licensing, the SAECE classrooms cannot operate without power, heat (depending on time of year) or running water and families will be contacted in this situation.

Thank you for your help.
