SAECE School Closure Policy

Reminder to Parents/ Caregivers/ Guardians:

In the event of power outages, heavy snowfall, etc... please note that the SAECE Preschool classrooms will be closed if the main (host) school is closed. For Surrey School Closures check the website: www.surreyschools.ca, or listen for radio/tv announcements of school closures:

- CKNW 980 - 980 AM (604-331-2832), CTV News, Global News
- News 1130 - 1130 AM www.1130.com (604-877-4400)
- CBC Radio - 690 AM www.cbc.ca/bc (604-662-6900)
- Red FM - 93.1 FM www.redfm.ca Radio India

The SAECE Preschools may be closed if it is too dangerous for Staff to travel to work. In this case, SAECE Staff will make every effort to contact the families affected.

Also, per Licensing, the SAECE classrooms cannot operate without power, running water, or heat (depending on time of year). Families will be notified/contacted in this situation.

Thank you for your help.
