

## Spring Newsletter

Spring has arrived and we are looking forward to busy and fun-filled months ahead. The classes will be participating in a field trip to the horse farm, learning about various themes in their classrooms (Spring, Gardening, Easter, Farm, Pets, etc...), creating art, practicing early learning skills (colouring, painting, cutting/scissor skills, tracing, gluing, pre-printing & printing, talking about colours, shapes and so on).

Hopefully more nice weather will be coming our way and we will see the children playing, running, riding and sliding outside each day, weather permitting. The weather has been unpredictable, so please make sure your child has appropriate clothes for different conditions.

A reminder to families to please read the monthly calendar/newsletter from the classrooms so important dates/times are not missed (as we approach the end of the regular school year, preschool staff will be planning year end picnics, etc...)

**We are accepting registrations for September, 2012** - current students and siblings should have turned in the re-registration forms to the classroom staff. Also, we do have limited spaces available for the remainder of this school year, so if you would like to check on current availability you may contact either the Program Office at # 604-576-4434, or the preschool classroom that is closest to you.

SAECE plans to offer **July Preschool** at the Henry Bose (Newton) and the Latimer Road (Cloverdale) locations for interested families (\*with sufficient enrollment). Classes are Tuesdays, Wednesdays and Thursdays from 9:00 – 12:00. Forms will be available in the classrooms for current students. For new students please call the Program Office at # 604-576-4434 for info.
